

BACK TO THE FUTURE

Discussion Notes

To mark our first Sunday back in We The Curious, we took the chance to think about our vision as a church and what that looks like as we go forward.

FIND

Philip shared about why 'helping people find Jesus' is so important to us, and what it looks like in our context. Then we heard from Ben about how he found Jesus through Metro.

- What challenged you about what either Philip or Ben shared?
- Do you find it easy to live this part of the vision out? How comfortable are you talking to your friends about Jesus and inviting them to church?
- How has helping your friends find Jesus changed in the last year? Has it become easier or harder?
- What would help us as individuals, as a Hub and as a church when it comes to helping our friends find Jesus?

LOVE

- What has being part of the Hub meant to you over the last year?
- Philip shared that 75% of young people said they feel lonely some or most of the time, and this statistic was before the pandemic. Does this surprise you?
- What do you think Metro's role is in helping people find community?
- What practical things can we do to make sure that community of Metro - both on Sundays and in Hub - is as welcoming and loving as possible?

FOLLOW

We heard from Chloe about her experience of trying to follow Jesus and the role that mentoring has played in her faith.

- What does 'following Jesus' mean to you?
- Has following Jesus become easier or harder of the last year?
- What, if any, has your experience of mentoring been? What have you learnt from either being mentored or being a mentor in Metro?

SERVE

Sam shared some of the encouragements and challenges of our social action efforts over the pandemic.

- How important is 'serving the city' to your faith?
- Did anything challenge you about what Sam shared?
- Have you learnt anything about serving the poor and vulnerable over the last year? Has your perspective changed at all?

Finally, break off into smaller groups and decide one area that you want to focus on especially for the next season. It could be asking for a mentor, volunteering, inviting a friend to church etc. Then write them down as a Hub and pray for each other.
